## INSTRUCTIONS FOR COMPLETING THE APPLICATION FOR BUSINESS: ENERGY EFFICIENCY AND SUSTAINABLE TECHNOLOGY CONTRACTOR CERTIFICATION

You must have a current and active CCB license to apply. The information you supply must match what is currently listed on your CCB license.

### APPLICANT INFORMATION:

Full Legal Name of Sole Proprietor, Partnership, Corporation or LLC (Licensee):

Enter the name of the entity as listed on your CCB License. Do not include Assumed Business names here.

Business Mailing Address, Telephone, Cell phone and e-mail address:

Enter your business mailing address. If this has changed please submit a "Request to Change Address or Assumed Business Name or Business Entity Name Amendment" form.

Full Legal Name of Partner, Corporate Officer or LLC Member (if not a Sole Proprietor):

Provide names of all owners as listed on your current CCB License. If officers / members have changed please submit a "Request to Change Personnel" form and include a copy of your company minutes. (If you are a partnership/joint venture, limited partnership or a limited liability partnership, a new license application is required if the partners have changed.)

### BPI OR REAP CERTIFICATE INFORMATION:

Full Legal Name of BPI or REAP Certificate Holder:

List the full legal name of the certificate holder. Identify if they are (1) the business; (2) an owner (a corporate officer is an owner) or (3) an employee. Only one certificate holder is required. Please do not list more than one.

### QUALIFIED BUSINESS ENTITY:

1. **Equal opportunity employer.** An employer that follows the principle of equal opportunity in regards to its hiring and promotion practices. An equal opportunity employer does not discriminate based on race, color, national origin, religion, gender, age, or physical or mental disability.
2. **Small business.** A small business is an Oregon business that employs 50 or fewer employees. If the business is a subsidiary of another business, the combined number of employees must be 50 or fewer.
3. **Minority or women business enterprise.** A small business concern that is at least 51% owned by one or more minority individuals or women. For most construction businesses, a small business concern earns no more than \$33.5 million in average annual receipts. Specialty trade contractors earn no more than \$14 million in average annual receipts.
4. **Disadvantaged business enterprise.** A small business concern that is at least 51% owned by one or more socially and economically disadvantaged individuals. For most construction businesses, a small business concern earns no more than \$33.5 million in average annual receipts. Specialty trade contractors earn no more than \$14 million in average annual receipts.

## **INELIGIBILITY FOR PUBLIC WORKS:**

BOLI maintains a list of all contractors that are ineligible to receive a contract or subcontract for public works projects. You cannot be issued this certification if you mark “Yes” to this question.

## **VIOLATIONS:**

You cannot be issued this certification if you mark “Yes” to any of these questions.

## **CERTIFICATION:**

You must check each box to qualify.

## **SIGNATURE:**

Application must be signed by Sole Proprietor, Partner, Corporate Officer or Member.

*CCB will independently verify information provided.*

## **INCLUDE WITH APPLICATION:**

*Copy of BPI or REAP Certificate:*

Licensee needs to demonstrate that they can successfully install energy efficiency, renewable energy projects with a high degree of quality and customer satisfaction, as demonstrated by one of the following certificates:
