 - Location and date
 - Agenda build

Facility Information:

Access to the Donald N. Anderson Readiness Center is via a controlled gate on Kettle Way, west of the building. A guard will ask for identification when you reach the entrance to the parking lot. Once inside the fence, standard entry to OEM’s facility is through the double doors (use the portico walkway) on the east end of the building (Hawthorne Avenue side). There is an access control phone from which you can call OEM and we will electronically allow you to access the building. Please do not park inside the chain-link fenced area on the east end. You may park anywhere outside of the chain-link fenced area.
