

# LEADERSHIP OREGON

## Sustainable State Government

20th Anniversary — 2009

Leadership Oregon is a year-long program that provides a selected group of mid- to senior-level state managers with an overview of key issues in state government, exposure to top state leaders, and the opportunity to learn best practice skills from national and local presenters. The goal is to develop a pool of talented individuals ready to lead state government for future generations.

### Tentative 2009 Schedule
