**1. OUR STRATEGY**

We continue to pursue efficiencies from centralization and new technology implementation in order to streamline UI processes to improve timeliness and customer service.

**2. ABOUT THE TARGETS**

Higher is better.

**3. HOW WE ARE DOING**

Our performance continues to improve and we are exceeding target.

**4. HOW WE COMPARE**

No comparisons are available. This measure and #15 will be deleted for the 2007-09 biennium. It will be replaced with a single KPM that better measures UI tax activity and has a DOL standard for comparison.

**5. FACTORS AFFECTING RESULTS**

No significant factors.

**6. WHAT NEEDS TO BE DONE**

No action required.

**7. ABOUT THE DATA**

The data source is US Dept of Labor Tax Performance System. Data is based on Oregon fiscal year.
