All property claims MUST be reported to Risk Management **as soon as possible** and no later than 90 days after discovery of your loss. Property claims filed after 90 days will need Risk Management approval for coverage. Liability claims should be reported to us immediately.

THIS FORM IS USED TO REPORT:

FAST TRACK CLAIMS: Intended for quick and final payment of simple losses to state property. RMD does not require supporting documents for claims that meet the tests below. However, your agency is required to retain documents for audits. This loss must:

- Be to property **owned** by the State of Oregon.
- Be **\$10,000 or less**. (This dollar limit does not apply to passenger vehicles, including cars, pickups, and vans.)

- Proof you own or are responsible for the property (contracts, agreements, inventory information, etc.).
- Extent and cost of damages (repair estimates, photographs, details of the actual or proposed replacement, etc.).

VEHICLE REPAIRS:

- Require used and rebuilt parts whenever they create no safety hazard. For example, do not pay for a new car door unless a used, paintable door cannot be obtained.

TOTAL LOSS: property is normally replaced if the necessary and reasonable costs of repair:

- Exceed the cost to replace the property with a new item of like kind and quality, or
- For passenger vehicles exceeds 80 percent of the NADA value as determined by us or our contractors.

We will arrange the sale of destroyed vehicles and other salvageable property.
