Price Agreement Overview - PC Peripherals

An Important PC Peripheral Point

Authorized Purchasers are encouraged (required if they are under DAS authority) to obtain quotes for purchases exceeding \$250.00 from both DISYS and CDWG, with the decision of which vendor to purchase from based on a best overall value determination.

Price Agreement Summary Information:

Price agreement summary information (to include manufacturers covered and discounts offered) can be found at the following link:

Product Take-Back/Recycling Options:

Purchasing agencies are responsible to ensure adequate and proper disposal of PC peripherals at the end of its life. Both CDWG and DISYS have product take-back/recycling program options under their price agreements that may be used by the purchasing agency to manage end of life disposal. In addition to the options available through the PC peripherals price agreements, a contract also exists with Ecolights NW for disposal of various PC peripherals, to include monitors and printers. Purchasing agencies should take advantage of this option to fulfill their responsibility of proper and adequate disposal of PC equipment that is at the end of its life.

Product Take-Back/Recycling Options:

1. Both CDWG (PA #4140) and DISYS (PA #4141) have take-back/recycling programs available under their respective price agreements. Authorized Purchasers should contact their sales manager for details.
2. PA #4114 with Ecolights NW is an additional option that State Agencies and participating ORCPP members have for disposing of their personal computers (PC), PC Monitors, and PC peripherals. For details on PA #4114, please refer to the VIP system.
