This addendum covers vehicle rentals within the scope of the WSCA Master Agreement for State agencies and political subdivisions. A political subdivision/local government is defined as any city, county, district or other local governmental body or corporation, including Utah state colleges and K-12 schools empowered to expend public funds. Each political subdivision/local government should make its own determination whether or not the WSCA program is consistent with their procurement policies and regulations.

2. Changes:

The following terms and conditions will apply to the Participating Addendum and are added to the contract:

PRICE AGREEMENT NUMBER: All purchase orders, invoices, issued to or from the State of Utah, State Agencies, and/or political subdivision/local governments, shall include the State of Utah contract number MA984, in place of WSCA contract # 9949.

CONTRACT JURISDICTION, CHOICE OF LAW, AND VENUE: The provisions of this contract shall be governed by the laws of the State of Utah. The parties will submit to the jurisdiction of the courts of the State of Utah for any dispute arising out of this Contract or the breach thereof. Venue shall be in Salt Lake City, in the Third Judicial District Court for Salt Lake Co.

RECORDS ADMINISTRATION: The Contractor will maintain, or supervise the maintenance of all records necessary to properly account for the payments made to the Contractor for costs authorized by this contract. These records will be retained by the Contractor for at least four years after the contract terminates, or until all audits initiated within the four years have been completed, whichever is later. The Contractor agrees to allow the State and Federal auditors, and State agency staff, access to all the records to this contract, for audit and inspection, and monitoring of services. Such access will be during normal business hours, or by appointment.

CERTIFY REGISTRATION AND USE OF EMPLOYMENT "STATUS VERIFICATION SYSTEM": The Status Verification System, also referred to as "E-verify", only applies to contracts issued through a Request for Proposal process, and to sole sources that are included within a Request for Proposal. It does not apply to Invitation to Bids nor to the Multi-Step Process.

1. Status Verification System

A. Each offeror and each person signing on behalf of any offeror certifies as to its own entity, under penalty of perjury, that the named Contractor has registered and is participating in the Status Verification System to verify the work eligibility status of the contractor's new employees that are employed in the State of Utah in accordance with UCA Section 63G-11-103.

B. The Contractor shall require that the following provision be placed in each subcontract at every tier: "The subcontractor shall certify to the main (prime or general) contractor by affidavit that the subcontractor has verified through the Status Verification System the employment status of each new employee of the respective subcontractor, all in accordance with Section 63G-11-103 and to comply with all applicable employee status verification laws. Such affidavit must be provided prior to the notice to proceed for the subcontractor to perform the work."

C. The State will not consider a proposal for award, nor will it make any award where there has not been compliance with this Section.

D. Manually or electronically signing the Proposal is deemed the Contractor's certification of compliance with all provisions of this employment status verification certification required by all applicable status verification laws including UCA Section 63G-11-103.

2. Indemnity Clause for Status Verification System

A. Contractor (includes, but is not limited to any Contractor, Design Professional, Designer or Consultant) shall protect, indemnify and hold harmless, the State and its officers, employees, agents, representatives and anyone that the State may be liable for, against any claim, damages or liability arising out of or resulting from violations of the above Status Verification System Section whether violated by employees, agents, or contractors of the following: (a) Contractor; (b) Subcontractor at any tier; and/or (c) any entity or person for whom the Contractor or Subcontractor may be liable.

B. Notwithstanding Section 1. above, Design Professionals or Designers under direct contract with the State shall only be required to indemnify the State for a liability claim that arises out of the design professional's services, unless the liability claim arises from the Design Professional's negligent act, wrongful act, error or omission, or other liability imposed by law except that the design professional shall be required to indemnify the State in regard to subcontractors or subconsultants at any tier that are under the direct or indirect control or responsibility of the Design Professional, and includes all independent contractors, agents, employees or anyone else for whom the Design Professional may be liable at any tier.

DEBARMENT: The Contractor certifies that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract), by any governmental department or agency. If the Contractor cannot certify this statement, attach a written explanation for review by the STATE. The Contractor must notify the State Director of Purchasing within 30 days if debarred by any governmental entity during the Contract period.

TAXES: Bid/proposal prices will be exclusive of state sales, use and federal excise taxes. The State of Utah's sales and use tax exemption number is 11736850-010-STC. The tangible personal property or services being purchased are being paid from STATE funds and used in the exercise of that entity's essential functions. If the items being purchased are construction materials, they will be converted into real property by employees of this government entity, unless otherwise stated in the contract, or contract orders. The State of Utah's Federal excise exemption number is 87-780019K.

POLITICAL SUBDIVISION PARTICIPATION: Participation under this contract by political subdivisions (i.e., colleges, school districts, counties, cities, etc.) will be voluntarily determined by the political subdivision. The Contractor agrees to supply the political subdivisions based upon the same terms, conditions and prices.

The fee will be payable to the Participating Entity for an amount equal to 3.5% of the net sales (net of any returns, credits, or adjustments) under this Addendum for the period. The Contractors WSCA pricing to the Participating Entity may be adjusted to offset for the equivalent fee amount. The attached pricing reflects this 3.5% adjustment and will be the pricing in effect for the initial contract period, subject the terms of the master agreement on any pricing adjustments.

Payment(s) shall be made in accordance with the following schedule:

<u>Period End</u>	<u>Fee Due</u>

The report will show the quantities and dollar volume of purchases by each agency and political subdivision. The report will be provided in secure electronic format and/or submitted electronically to the state contact listed in this Addendum.

PUBLIC INFORMATION: Contractor agrees that the contract, related Sales Orders, and Invoices will be public documents, as far as distribution of copies.
