701.205 Construction Contractors Board; members; terms; confirmation; vacancies; qualifications. (1) The Construction Contractors Board is established, consisting of nine members appointed by the Governor subject to confirmation by the Senate in the manner provided by law. Three of the members shall be contractors who primarily work on residential or small commercial structures, including one contractor engaged in the business of remodeling, two shall be public members and one shall be an elected representative of a governing body of local government. Two of the members shall be general contractors who primarily work on large commercial structures, and one shall be a specialty contractor who primarily works on large commercial structures or a limited contractor. One member who is a contractor may be certified as a home inspector.

(2) The term of office of each member is four years, but a member serves at the pleasure of the Governor. Before the expiration of the term of a member, the Governor shall appoint a successor whose term begins on July 1 next following. A member is eligible for reappointment. If there is a vacancy for any cause, the Governor shall make an appointment immediately effective for the unexpired term.

(3) In order to be eligible for board membership, the six contractor members of the board shall be licensed under this chapter and shall maintain their licenses in good order during their term of office.
