2007
Children and Family Services Review (CFSR)
On-Site Review
Site Selection Determination**

The locations for the on-site review portion of the 2007 Federal CFSR have been selected. They are:

- Multnomah County (2 locations)
- Marion County (1 location)
- Deschutes County (1 location)

The review will take place during the week of September 10 thru 14, 2007. Training for state on-site reviewers will take place on August 21 and 22, 2007.

Sites were selected through mutual agreement between the Administration for Children and Families (ACF) and Children, Adults and Families Division management. Factors considered in the selection included:

- Population size – note: the largest metropolitan area in the state is automatically chosen
- County performance on the national standards
- Population diversity
- Urban/rural characteristics
- Community partnerships and resources
