

**REFUGEE CHILD WELFARE ADVISORY COMMITTEE MEETING
MARCH 9, 2006**

Present: Neeru, Robert Heiney, Kirsten Brown, Slavica and Gloria.
Guests: Mike Hannan (CPS Supv), Sara Wutzke (telecom), Wendy Coppage, Megan Wrona, and Judy Brandel came for their staffing only (community partners), and Julie Rahsaan (CW) presented.

Guests signed confidential statements.

Staffed three CW cases.

From questions raised at today's meeting, it was suggested that an IM be sent to all CW offices about the RCWAC. Many are unaware of the requirements under this rule and of the assistance the committee can provide.

LIRS will request that Kirsten and Gloria attend one of their all staff meeting to share information about CW and provide a fictitious "In the life of a case" what happens.

Corrections made to future meeting schedules; should be September 7th (Thursday) and December 7th (Thursday) not September 8th and December 8th.

Correction needs to be made to LIRS new name: Lutheran Community Services NW.

Request that we check to see if Kirsten Brown is on the e-mail group list as she hasn't been receiving the e-mails.

Next regular meeting will be June 8th at 1:30. We will review the By-laws and Rules then.

Gloria provided the group with a brief update to the case staffed in December. The group was appreciative.
