OHP Standard Benefit Package Closes to New Enrollment on 7/1/04

This information is for OHP Standard benefit package clients only

Look at Field 9b (Benefit Package) of your OMAP Medical Care ID. Any member of your household who has a "B" in Field 9b is on the OHP Standard benefit package.

Due to a lack of state funds, we will stop enrolling **new** clients into the Oregon Health Plan (OHP) Standard benefit package on July 1, 2004.

The Department regrets having to take this action, but finds it necessary because of the reduced OHP budget. We will notify you as soon as possible of any other changes that become necessary.

What this means to you

At this time, there is no change for clients who are currently on the OHP Standard benefit package. *You are on the OHP Standard benefit package if you have a "B" in Field 9b of the OMAP Medical Care ID.*

If you stay enrolled and pay your premiums on time, there will be no change for you, at this time.

If you are disenrolled from the OHP, you will **not** be able to enroll as an OHP Standard client until enrollment is open again.

To keep your OHP enrollment be sure to:

- ✓ **pay your premiums on time every month**, and
- ✓ **reapply on time.** If you return your completed application on time, and are eligible, your coverage will continue at this time.

No change for OHP Plus clients

There is no change for clients applying for or getting OHP Plus benefits. The OHP Plus benefit package has different eligibility and funding rules. To be on the OHP Plus benefit package, you must be:
