

Only **one** free MMIS pharmacy training left! Sunday, November 2, 1-5 p.m., Salem

DHS is providing only one more Sunday session specifically for pharmacies to learn about changes coming with the replacement MMIS.

The Oregon Board of Pharmacy has approved this training for four hours of continuing education credit for pharmacists and technicians licensed in the state of Oregon.

- When the replacement MMIS goes live, Electronic Data Systems (EDS) will take over the Pharmacy Benefit Management (PBM) functions from First Health.
- At this training, you will learn about changes to prior authorization, Point of Sale (POS), ProDUR messages, State Maximum Allowable Cost dispute resolutions, and more.

Register today on the DHS Learning Center at <https://dhslearn.hr.state.or.us>!

For more information, go to the MMIS Web site at www.oregon.gov/DHS/mmis/training-info.shtml, or call DMAP Training at 503-945-6549.
