

Important Information **Prior authorization changes December 9!**

When the new MMIS goes live on December 9, the following changes for prior authorizations (PA) will go into effect.

- Providers will be required to use the new EDMS coversheet (DHS 3970) for all PA requests.
- There is a new PA request form (DHS 3971).
- DHS has a new fax number for urgent/immediate PA requests.
- EDS is the new contact for pharmaceutical PA requests.

PAs processed in the current system will be transferred to the new MMIS and remain valid until their current end date.

For more information, including forms and fax numbers, go to:
