Dear Drug Manufacturer:

In the next six months, OMAP will review and update, as appropriate, the following Plan Drug List classes:

- Nonsteroidal Anti-Inflammatory Drugs (NSAIDs)
- Long-Acting Opioids
- Thiazolidinediones

Drug manufacturers interested in submitting offers for supplemental rebates for drugs in the classes listed above need to submit offers by close of business on **April, 1, 2006**, to:

Department of Human Services  
Office of Medical Assistance Programs  
Pharmacy Program Manager, Policy Unit  
500 Summer St. NE, E-35  
Salem, OR 97301-1077

The rules governing the Supplemental Rebate Program, as well as the contract template and full instructions for completing supplemental rebate agreements, are on the DHS Web site at <http://www.oregon.gov/DHS/healthplan/supp-rebate/main.shtml>.

Thank you for continuing to work with OMAP to ensure that Oregon Health Plan clients receive quality prescription drug therapy.

Respectfully,

Brian Olson  
Pharmacy Program Manager, OMAP
