Department of Human Services

Overview

This step-by-step presentation is intended to provide information to assist those who bill the Division of Medical Assistance Programs (DMAP) for Medicaid services complete the UB-04 billing form correctly the first time. This presentation is to be used in conjunction with General Rules, your provider guidelines and supplemental information.

We hope you find this tutorial helpful.

~DHS~

MMIS

- The federal government requires DHS to process Medicaid claims through an automated claim processing system known as the Medicaid Management Information System (MMIS).
- This system is a combination of people and computers working together to process claims.
- This system performs daily edits for presence and validity of data.
- DHS staff only reviews claims that MMIS cannot make a payment decision based on the information submitted.

Claims Processing

- Paper claims submitted by mail go to the DHS Office of Document Management (ODM) Imaging Unit.
- ODM processes hardcopy claims using Optical Character Recognition (OCR) scanning.
- Make sure your claim form meets OCR specifications.
- A Remittance Advice (RA) listing all claims adjudicated is mailed to the provider (with payment if appropriate).

Before you bill

- Read your provider guidelines.
- Verify recipient eligibility on the date of service.
- Make sure you bill all prior resources first. DHS is the payer of last resort.
- Use commercially available versions of the UB-04.

A few tips!

- When submitting handwritten claim forms, you must use blue or black ink, never use red ink.
- Make sure your hand writing is legible.
- If possible, submit no more than twenty-two lines of services per claim form.
- Do not use liquid whiteout.
- Check your printer alignment.

- The UB-04 form is not supplied by DHS.
