New materials from Center for Divorce Education

Children in the Middle online version is now available on the internet. Now you don't have to wait to receive this award-winning program, you can view it immediately through the following website: <http://divorce-education.com/online/>

Children in the Middle is proven-effective and is a "Model Program" by the Substance Abuse and Mental Health Service Administration (SAMHSA).

CHILDREN IN THE MIDDLE is an educational and ethnically diverse program designed to teach parents the skills needed to reduce family conflict, school problems, depression, anxiety and anger.

Sample the program immediately by visiting <http://divorce-education.com/online/>. This website will allow you access not only to an interactive sample, but the whole program.

Call The Center for Divorce Education with any questions. In the United States call 1-877-874-1365, outside the United States call (740) 594-2526.
