Agenda:

Board Chair, Eric Parsons will begin by presenting final charters for the Health Care Workforce Committee, Public Employers Health Care Purchasers Committee, State Health Improvement Committee and Health Systems Performance Committee. Director designee of the Oregon Health Authority, Dr. Bruce Goldberg will then submit a report updating the board on the Oregon Health Authority transition, the February legislative session and the status of Healthy Kids and the Oregon Health Plan expansion.

Membership confirmations to the Health Systems Performance Committee, State Health Improvement Program Committee and the Medical Liability Taskforce will then take place along with chair selections for each group. Nominations to these committees were submitted in December.

January's meeting will include progress reports about patient centered primary care standards and the Health Information Technology Oversight Council. The meeting agenda will conclude with a presentation about the All-Payer All-Claims (APAC) Data project with invited testimony.

Public testimony will be accepted during the last 20 minutes of the meeting.
