The commission is responsible for ensuring the quality of publicly funded in-home care services. The commission has three major charges: (1) to define qualifications of home care workers; (2) to create a statewide registry of home care workers; and (3) to provide training opportunities for home care workers and consumers. Beyond these responsibilities, the Home Care Commission is also the employer of record for purposes of collective bargaining for home care workers whose pay comes from public funds.

Reasonable accommodations will be provided as needed for individuals requesting assistive hearing devices, sign language interpreters or large-print materials. Individuals needing accommodations should call DHS at 1-800-282-8096 at least 48 hours before the meeting.
