NEWS RELEASE

Oregon HIV Care Coalition meeting, Page 2

Background: The Oregon HIV Care Coalition was formed in 1999 for the purpose of providing assistance to the HIV Care and Treatment Program to define a continuum of medical and supportive services for low-income persons living with HIV in the state. Members represent federal, state and local health and social services agencies and programs. Additional members are appointed to represent the perspectives of people living with HIV and of other stakeholders from the community.
