## Tired of not having HEALTH COVERAGE?

## ARE YOU:

- Without health care insurance?
- Not pregnant?
- 19 years old or older?
- An Oregon resident?
- With an income below 100% of the federal poverty level?

## HOW IT WORKS

If you answered **"yes"** to all of these questions, you may qualify for free or low-cost health insurance coverage through the Oregon Health Plan (OHP).

The Oregon Department of Human Services has received federal approval to enroll approximately 10,000 new adults in OHP Standard, a health insurance program for low-income Oregonians.

Because there are not enough openings to meet everyone's needs, DHS is creating a list of people who would like to apply for OHP Standard. You must place your name on the reservation list during January 28 - February 29, 2008.

DHS will randomly select names monthly from the list starting in March. If your name is selected, DHS will mail you an OHP Standard application form. If you apply and qualify, you will be enrolled in OHP Standard.

DHS wants you to be independent, healthy and safe. The Oregon Health Plan can help make that possible.
