

Oregon Department of Human Services – Drinking Water Program Contract Counties

Drinking Water Program contracts with the below counties to perform much of the program work at the local level. Contract counties are responsible for all community water systems with groundwater sources serving less than 3,300 people as well as all nontransient, noncommunity and transient noncommunity water systems. Operators and managers of these systems should first call their local county health department for assistance with drinking water issues.

Benton	Scott Kruger	(541)766-6650	scott.kruger@co.benton.or.us
Clackamas	Joel Ferguson	(503)742-5367	joelfer@co.clackamas.or.us
