The list of lead painters permit holders is provided as a public service for those of you who are seeking a professional contractor to perform lead-based activities in and around your home. OAR 333-069 requires anyone working for compensation in the State of Oregon who disturbs more than one square foot of lead-based paint to first obtain a Lead Paint Permit. The permit holder agrees to use lead safe work practices when disturbing lead-based paint. The State of Oregon does not favor one individual over another on the list, and any references herein to any organizations, specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, do not necessarily constitute or imply its endorsement or recommendation.

The list of lead painters permit holders is provided as a public service for those of you who are seeking a professional contractor to perform lead-based activities in and around your home. OAR 333-069 requires anyone working for compensation in the State of Oregon who disturbs more than one square foot of lead-based paint to first obtain a Lead Paint Permit. The permit holder agrees to use lead safe work practices when disturbing lead-based paint. The State of Oregon does not favor one individual over another on the list, and any references herein to any organizations, specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, do not necessarily constitute or imply its endorsement or recommendation.

The list of lead painters permit holders is provided as a public service for those of you who are seeking a professional contractor to perform lead-based activities in and around your home. OAR 333-069 requires anyone working for compensation in the State of Oregon who disturbs more than one square foot of lead-based paint to first obtain a Lead Paint Permit. The permit holder agrees to use lead safe work practices when disturbing lead-based paint. The State of Oregon does not favor one individual over another on the list, and any references herein to any organizations, specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, do not necessarily constitute or imply its endorsement or recommendation.

The list of lead painters permit holders is provided as a public service for those of you who are seeking a professional contractor to perform lead-based activities in and around your home. OAR 333-069 requires anyone working for compensation in the State of Oregon who disturbs more than one square foot of lead-based paint to first obtain a Lead Paint Permit. The permit holder agrees to use lead safe work practices when disturbing lead-based paint. The State of Oregon does not favor one individual over another on the list, and any references herein to any organizations, specific commercial products, process, or service by trade name, trademark, manufacturer, or otherwise, do not necessarily constitute or imply its endorsement or recommendation.
