Social Security Numbers Required on Permit Applications

As part of your application for an initial or renewed lead-based paint permit issued by the Department of Human Services, you are required to provide your Social Security Number to the Department. This is mandatory. The authority for this requirement is **Oregon Laws 1997, Chapter 746, Section 117 (ORS 25.785) and 42 USC § 666 (a) (13)**. Failure to provide your Social Security Number will be a basis to refuse to issue or renew the permit you seek. Although a number other than your Social Security Number appears on the face of the permit issued by the Department, your Social Security Number will be used for child support enforcement purposes only, unless you authorize other uses of the number.
