- Individual assessment of growth and health
- Education and counseling on nutrition and physical activity
- Breastfeeding education and support
- Nutritious foods purchased with WIC vouchers
- Immunization screening and referral
- Referral to other preventive health services

WIC Nutrition Education Promotes Healthy Choices

WIC nutrition education:

- Emphasizes healthy lifestyle habits so families can eat better and stay active now to prevent obesity and other chronic diseases later in life.
- Promotes breastfeeding for the first year of life. Also, our breast pump project helps mothers continue to breastfeed after returning to work or school.
