

Get a Great Start Promoting Fresh Choices and WIC— Newest Web Resources are Here!

WIC has developed new Web pages, designed to help you and local partners with questions about Fresh Choices and WIC. Please share these Web pages with your staff so they can have quick access to Fresh Choices questions and resources. Healthcare providers and community partners should also be aware of what is new in WIC. Please review, bookmark and share the Web pages that would be most useful for you, your staff and local partners.

WIC Fresh Choices

This page lists resources, staff in-services, nutrition education materials, links to foods lists, and all the latest information about Fresh Choices.

Information for Healthcare Providers about WIC

Healthcare providers are vital partners to improve life-long health and nutrition outcomes for our shared patients. WIC referrals and consistent messaging from healthcare providers are critical for helping patients make informed decisions about their health. The medical documentation form can also be found here.
