

## Outreach to Homeless and Transitional Housing Agencies

Have you considered partnering with the homeless and transitional housing agencies in your community? Do you know which agencies are serving women, infants and children with housing needs? This month's Outreach Morsel is designed to help you answer these questions.

### Collaboration Corner

Did you know that you can now locate the 2008 Monthly Outreach Morsels on the WIC Website?

[Check it out!](#)

### Homeless outreach --- Already underway

Below are two files provided by SAFENET. One file lists homeless agencies and the other file lists transitional housing agencies throughout the state. Each agency listed will receive a WIC cover letter, an Oregon WIC 2007 Annual Report and an outreach materials order form this month.

### Homeless outreach --- Encouraging the partnership

1. Review the homeless and transient agency lists for your county. If there are no agencies listed, try to find one and send them an outreach packet\*.
2. Follow up with your county homeless agencies and:
  - Offer to educate the shelter staff on the benefits of WIC and eligibility.
  - Meet with the shelter director and identify ways to connect homeless families with WIC services.
  - Provide outreach brochures, posters or appropriate nutrition related materials.

November 08

#### \*What is in an outreach packet?

- Introduction letter on WIC
- Oregon WIC 2007 Annual Report
- Outreach materials order form

Any of the above can be requested. Send requests to [jolene.mcgee@state.or.us](mailto:jolene.mcgee@state.or.us)
