

☺ Job Aid: Family Summary Screen Codes

Chapter 3: Client Processes

Section 11: Family Summary Screen

Lesson: Family Summary Screen

Status Codes

This is the status of the current certification period:

- EN = Enrolled
- IC = Incomplete Certification
- TM = Terminated
- If the field is blank, there is no current cert period for the client.

Set Print Month Codes

- BP = Breast Pump Overdue
- CUST = Custody
- FORM = Formula Trial
- FOST = Foster Child
- HIGH = High Risk
- HOME = Homeless
- LACT = Lactina Breast Pump Issued
- MAIL = Mailed FIs
- MCHA = Missed Mid-cert Health Assessment
- MIGR = Migrant
- NE = Missed Nutrition Education Appointment
- PROG = Program Abuse
- PROX = Proxy
- OTHR = Other

Bars

- A solid black bar shows when a client becomes categorically ineligible.
- A hollow bar shows when the client's current certification ends.

FI Codes

- Checked box = Vouchers available to print
- Unchecked box = User has unselected the box so will not print vouchers

Codes in the FI field will give the reason Checked FI boxes are not available.

- R = Prescription required
- H = Health Profession Authorization required
- E = Eligibility Pending
- P = FIs have already been printed for the month
- Q = FIs have already been placed on the print queue
