

Oregon Disabilities Commission

A Call to Action in Celebration of the 20th Anniversary of the Americans with Disabilities Act (ADA)

“Only Go Where You Can Roll” Pledge for July 26th, 2010

In celebration of the ADA’s 20th anniversary, the Oregon Disabilities Commission calls on all Oregonians to pledge that they will “only go where you can roll” on July 26, 2010.

The ADA has had a profound change on the lives of individuals with disabilities over the past 20 years in the areas of employment, housing, education, and in everyday life. By taking this pledge, each Oregonian can participate and appreciate the legacy of the ADA, as well as the work that still needs to be done.

The Commission acknowledges that while this pledge focuses on just one accommodation, the ADA encompasses accessibility for all individuals with physical, developmental, sensory, cognitive and psychiatric disabilities. Whether it is talking books, American Sign Language interpretive services, or an array of assistive technologies, the ADA is a part of all Oregonians’ lives.

Please join the Oregon Disabilities Commission in making a commitment to Only Go Where You Can Roll on July 26th.
