MMIS UPDATE – NURSING FACILITY CONFERENCE CALL

Dear Administrator,

Please share this Administrator Alert with the person(s) responsible for billing the Department of Human Services for Medicaid nursing facility services.

The Department has scheduled a conference call to help answer provider questions regarding claims processing in the replacement Medicaid Management Information System (MMIS). During the first 30-45 minutes the Department will provide a status update on the implementation of the replacement MMIS. The remainder of the call will be opened for questions and answers.

Prior to joining the conference call, please confirm you are calling from a phone that has a mute option. During the introduction of the call, you will be requested to put your phone on mute to limit background noise, and to ensure all participants can hear the questions and answers.
