New Online Nursing Assistant Training and Competency Evaluation Program Reimbursement System

Dear Administrators,

Please share this Administrator Alert with the person(s) responsible for the billing the Department of Human Services for NATCEP reimbursement.

The Office of Rates, Contracting, and Research has developed an on-line system that will facilitate easier and more accurate NATCEP reimbursement requests. The plan is for this new system to be operational the first quarter of 2012.

Two Webinar training sessions are planned to assist facilities with learning about the new system and the process for reimbursement. The first training session is scheduled for Monday, December 12, 2011 from 1 PM – 2:30 PM. The second session is scheduled for Tuesday, January 17, 2012 from 1 PM – 2:30 PM. Webinar registration information will be sent in a separate email to the nursing facility administrators.

If you have questions about the above information, please contact Margie Bibby at 503-945-6836 or email Margie.Bibby@state.or.us
