*New Training Opportunity: Fire and Life Safety for Health Care Providers
available online*

Dear Administrator,

Please share the following training information with staff training coordinator.

The Office of State Fire Marshal has created web-based, interactive trainings that meet nursing facility licensing and Medicare/Medicaid certification requirements for annual fire and life safety training for healthcare providers.

Training Objectives:

- National Fire Protection Association (NFPA) Life Safety Code (LSC) compliance requirements for Medicare and or Medicaid-certified nursing facilities; and
- Provide staff that work in licensed facilities with common recommended practices and suggested procedures to maintain a reasonable level of fire and life safety.
