Office of Licensing & Quality — Oregon Department of Human Services

Date: December 1, 2011

Dear Colleagues,

You are receiving this email from Making Oregon Vital for Elders (M.O.V.E) because of your involvement or potential interest. As you may know, M.O.V.E is Oregon's statewide coalition of dedicated organizations and individuals united in changing the way Oregonians feel about health and long-term care for older adults. We are an educational resource for organizations who are committed to building person-directed communities and an empowered workforce in order to make culture change a reality.

We would like to take this opportunity to learn from you and consider your feedback about how we can best support your education needs now and in the future. Your responses are very important to us and will be used to inform our planning of next year's activities.

Please take a few minutes to complete the survey before Friday, December 16, 2011. It can be accessed by clicking:

<http://www.surveymonkey.com/s/7D6YLKY>

Your feedback will be anonymous and cannot be tracked in any way to your e-mail address through the on-line survey administration system. However, if you would like to enter into a drawing to win a gift certificate to attend a future M.O.V.E event or a Target Gift Card, you will be asked to provide an email address so that we may contact you.

We thank you, in advance, for completing the survey!

Sincerely,

M.O.V.E's Steering Committee
