Community Based Care News Hour WEBINAR

*****Systems Test*****

When: August 17th, 2011

Time: 9:00am-10:00am

On August 17th the Community Based Care Unit will be providing a testing session to allow participants to test their connection to AT&T Connect Webinar system.

This test run will give providers the opportunity to download, and/or connect to the AT&T system, and to test connectivity.

On Aug 17th, 2011, please follow the directions below

Community Based Care NEWS HOUR Webinar instructions

Copy and paste the link below into the address bar of your web browser

<https://connect9.uc.att.com/service32/meet/?ExEventID=84127699>

The link will take you to the AT&T connect web site.

Enter your First name, Last Name and Email address. Hit ok,

You will be asked to select from two application choices:

- A. Participant Application:** This choice will download the AT&T webinar application to your computer. If you have firewall restrictions, or company policy that restricts down loads, this application may not work.

B. Web Participant Application: This choice takes you to the web site and will run the webinar through a browser.

The two choices for the Application look like the item listed below.

Participant Application (Recommended)

A Windows-based application with all available AT&T Connect features - including features required by the meeting's Host.

To use this option, you must be running the Windows operating system on this computer, and be able to download and install applications.

(Supports Accessibility from version 9.0)

Web Participant Application

A browser-based application with some feature limitations.

Use this if you are running on a Macintosh or Linux platform, or if you are not able to install software on your Windows computer.

Once selected, you will be taken to the Webinar event.

You may then choose your audio:

By phone

By head set

Or by computer speakers

This test will run from 9:00am-10:00am.

There is no agenda for this test, it is only to set up and test YOUR connection to the Webinar.

Webinar with agenda will be Aug 25th, please watch for Administrator alert.
