### OSCI CYCLIC MENU FOR WEEK OF JULY 27, 2009

## From Religious Services

So you don't know anyone who isn't a criminal, you've gotten involved in a faith group and you will soon be releasing to a neighborhood that has changed or is unfamiliar to you as a person who values their faith and community.

If you can relate to this situation, we hope that you'll look into Home for Good in Oregon. H.G.O. is a free and effective program that begins working with you now and follows you outside these walls. It focuses on connecting you with people of your own faith in the community that you will be releasing to in order to continue the spiritual growth you have made inside and make it an integral part of your success outside.

If you're interested, please send a kyte to Religious Services requesting an H.G.O. application. We will schedule you to see a liaison volunteer who will help you make a personalized plan for this area of your life.

**Note:** If you have filled out an application at a different institution and been transferred here, send Religious Services a kyte explaining where you are at in the process.

**We look forward to hearing from you!**

### Prayer Requests:

Do you have something you need prayer for?

Would you like the Christian prayer team to pray for you? A member of your family? A friend?

Each week a group of men pray for the intentions of the institution and its inhabitants. By sending a kyte to the Chapel, you can be added to their prayers. A box is also available at the back of the Chapel where you can write down your prayer requests. Feel free to not be specific but also know that all material will stay confidential and will **not** be shared outside of the Chaplain and the prayer team.

If you are interested in being a member of the prayer team, send a kyte to Chaplain Raths. As space becomes available, your request will be reviewed. The team meets Saturday mornings at 9 in the Chapel.
