**Instructions**

As provided in the Oregon Legislative Assembly, 2010 Special Session, House Bill 3696, Sections 85–88, an estate may apply for a refund of Oregon inheritance tax related to the natural resource property exclusion.

1. Complete this application with the signature of the executor or power of attorney.
2. Calculate the refund due to the estate:
  - a. The tax payable under ORS Chapter 118 with the allowance for the natural resource credit (if the estate did not qualify for the natural resource credit enter the amount of tax on your tax return). [Form IT-1, page 1, line 19 (Rev. 04-08)] ..... a.
  - b. The tax payable under ORS Chapter 118 with the allowance for the natural resource property exclusion, in most cases this amount is from your original tax return. [Form IT-1, page 1, line 17 (Rev. 10-07). If you did not claim the natural resource exclusion on your original tax return, but would have been eligible to claim it except for the retroactive change to ORS 118.140, you must complete an "as if" Oregon Form IT-1 (Rev. 10-07). Complete Form IT-1 and Schedule NRE "as if" the estate was allowed to claim the natural resource exclusion for purposes of this refund application. At the top of the "as if" Form IT-1, page 1, write: "For NRE refund application only."] ..... b.
  - c. Subtract the amount on line 2b from 2a; this is your refund application amount..... c.

This form will be reviewed by the department along with the original inheritance tax return. The refund check will be made payable to the estate.
