Extension of time for filing statement

The department is allowed by law [Oregon Revised Statute (ORS) 308.535] to extend the time for filing this statement for good cause. To receive an extension, send us a written request explaining your need for the extension. The extension request must be filed before the due date of your annual statement.

If a company fails to make a statement or furnish the required information, the law also allows the department to “inform itself as best it may as to the matters necessary to be known in order to discharge its duties with respect to the property of the company.”

Penalties for failure to file or false or fraudulent statement

Your statement is considered delinquent if it is not filed by March 17 or by the extended date allowed by the department. The penalty for a delinquent statement is \$10 for each \$1,000 (or fraction thereof) of assessed value placed on the assessment roll of the department (ORS 308.030).

Willfully providing a false or fraudulent statement is perjury [ORS 308.990(4)] and “upon conviction, shall be punished as otherwise provided by law for such crime.”

Oregon law

"Except as provided in subsection (3) of this section, any property used or held for its own future use by any company in performing or maintaining any of the following businesses or services or in selling any of the following commodities, whether in domestic or interstate commerce or both, and whether mutually, or for hire, sale or consumption by other persons: Railroad transportation; railroad switching and terminal; electric rail and trackless trolley transportation; private railcar transportation; air transportation; water transportation upon inland waters of the State of Oregon; air or railway express; communication; heating; gas; electricity; pipeline; toll bridge."

ORS 308.525 specifies what facts the companies should supply to the department. ORS 308.525(14) also allows the department to gather "any other facts or information the department requires in the form of return prescribed by it."

Substitute forms acceptable

The Department of Revenue will accept photocopies and replicas of this packet. If you need an additional packet, please call 503-945-8283, or download forms from our website, www.oregon.gov/DOR.

Electronic filing

Companies with complex tables, especially those with a large asset inventory or those with property located in many tax code areas throughout the state, are encouraged to submit data in an electronic format to save time and reduce errors.

Electronic schedules may be filed in place of hard-copy schedules. If you choose to file electronically, please include the signed Taxpayer Declaration form (150-302-114-3) provided herein.

You may report your schedules in an electronic format that is compatible with Microsoft Office in Windows format (i.e., Excel spreadsheets, Access data, and Word documents). An electronic format must include the information fields located in the annual statement schedules. If you have questions regarding acceptable formats, please contact the appraiser via the phone number located on the attached cover letter.

Important: Please format your electronic data according to the format of the paper schedule or table. Label the schedule so the department can readily identify which schedule you are submitting electronically. If you have questions regarding acceptable formats, please contact the assigned appraiser using the telephone number located on the attached cover letter.

The data may be sent via 3.5" diskette or CD-ROM along with the form or may be attached via an e-mail message to the address below the appraiser's name provided on the cover letter. *If you submit the data using e-mail, there is a possibility that it may not remain secure in transit.* The Department of Revenue maintains that all information, on receipt, is confidential and shall not be released to third parties.
