

*Harold "Bucky" Stinson*

*Eugene Fire and EMS Department*

*Date of Death: October 11, 1966*

*While fighting a general alarm fire at the Kendall Ford auto dealership, ten year veteran Firefighter Bucky Stinson was killed when a concrete wall collapsed and crushed him underneath. Firefighter Stinson was one of four firefighters on a hose line. Stinson was on the nozzle when the wall began to collapse and could not get out in time. Stinson left behind a pregnant wife and two children.*
