

**Department of Public Safety Standards and Training**  
**Memo**

**Subject:** OAD 259-060-0005 – Proposed Rule #1  
Private Security Objectives

**From:** Linsay Hale  
Rules & Compliance Coordinator  
(503) 378-2431  
Linsay.Hale@state.or.us

**Issue:** These proposed rule change clarifies the objectives of the Private Security rule set.

The following revised language for OAD 259-060-0005 contains recommended additions (**bold and underlined**) and deletions (~~striketrough text~~).

**259-060-0005**

**Objectives**

(1) The objectives of the **Board's and** Department's ~~Private Security Standards and Certification Rules~~ **on private security standards and certification** are to improve the private security industry services in Oregon by raising the level of competence of private security personnel, individually and collectively. **This is accomplished by:**

(a) ~~By e~~**Establishing and maintaining minimum standards and qualifications for the training, and certification and licensure of private security professionals providers;**

(b) ~~By e~~**Establishing and maintaining minimum standards and qualifications for the all training courses and testing required of private security providers and licensing of executive and supervisory managers;**

(c) ~~By establishing and maintaining minimum standards for all training courses and testing required of private security professionals, executive and supervisory managers;~~

(d) ~~By establishing and maintaining minimum standards and qualifications for all instructors providing the required training and testing; and~~

(e) ~~c~~ **By m****Maintaining uniform compliance with all provisions of ORS 181.870 through 181.991, hereinafter referred to as the Private Security Service Providers Act found in ORS 181.870 through 181.991, including the use of criminal records checks utilizing computerized criminal history information, and fingerprint comparisons, and fact-finding investigations.**

(2) The ~~delineation~~ of scope of authority and ~~duties~~ between the Board and the Department, as it relates to joint rulemaking, is the same as ORS 181.640(4), (5) **and** (6).
