DSL Stockade Block Comments - ...

Dear Ms. Pustis:

please accept the attached comments of the Oregon Natural Desert Association & Audubon Society of Portland on the Stockade Block Draft AMP. As further described in the attached comments, also enclosed are two additional documents which were comments these parties (and others) submitted to the Harney County Planning Commission on a nearby application for wind energy developments.

Thank you for your consideration of our comments, and please include us on your mailing and email lists for further developments of the AMP.

Thanks and regards,
