Nominated by:

Phone number:

E-mail:

Nominee's name:

Address:

Phone number:

E-mail:

Generally describe the efforts of the nominee and how he/she/the organization contributed to DSL's mission:

Nominating criteria:

1. Innovation and extra effort: The nominee used innovations, including extra time, funds or creative solutions for conducting work on behalf of DSL, while protecting or enhancing natural or fiscal resources overseen by the department.
2. Consistency: The nominee has consistently provided outstanding levels of service to the agency either over time or during the time period for which the award will be given.
3. Good example: The nominee sets a good example for other DSL partners and/or promotes high quality practices to others.

Attach any photos or other documents that will help illustrate the project for which the nominee is being considered.

Applications due February 22, 2012. Send to:
