

**OREGON BOARD OF DENTISTRY  
MINUTES  
OCTOBER 11, 2002**

MEMBERS PRESENT:       Jean Martin, DDS, MPH, President  
                              Ronald Short, DMD, Vice President  
                              Melissa Grant, DMD  
                              Kenneth Johnson, DMD  
                              Eugene Kelley, DMD  
                              Linda Lee, RDH, BS  
                              George McCully, DMD  
                              Richard Swart, Public Member  
                              Ellen Young, RDH, BS

STAFF PRESENT:         Jo Ann Bones, Executive Director  
                              Paul Kleinstub, DDS, MS, Dental Director/Chief Investigator  
                              Daryll Ross, Investigator  
                              Harvey Wayson, Investigator  
                              Tonaya Craft, Office Specialist

ALSO PRESENT:         Lori Lindley, Esq., Assistant Attorney General

**Call to Order:** The meeting was called to order by the President at 7:30 a.m. at the Board office; 1515 SW 5<sup>th</sup> Avenue, Suite 602, Portland, Oregon.

**EXECUTIVE SESSION:** The Board entered into Executive Session pursuant to ORS 192.606(1)(f), (h) and (k); ORS 676.165, ORS 676.175 (1), and ORS 679.320 to review records exempt from public disclosure, to review confidential materials and investigatory information, and to consult with counsel.

**REVIEW OF NEW COMPLAINTS, COMPLETED INVESTIGATIONS, PREVIOUS CASES REQUIRING BOARD ACTION, AND LICENSURE APPLICATION ISSUES**

The Board reviewed summaries of new complaints and reviewed completed investigation reports and related investigatory materials. Licensees appeared in Executive Session to discuss pending disciplinary matters in case numbers 1997-0091 and 1990-0114 et al.

**PERSONAL APPEARANCES AND COMPLIANCE ISSUES**

Licensees appeared in Executive Session pursuant to their Consent Orders in case numbers 1995-0034, 2001-0195, 1999-0197, and 2001-0076.

**OPEN SESSION:** The Board returned to Open Session.

**NEW BUSINESS**

**ASSOCIATION REPORTS**  
**Oregon Dental Association**

Dr. Jan Peterson, Vice President, Oregon Dental Association, reported that the Ownership Work Group last met on Wednesday night, October 9, 2002. The workgroup had

previously reached a consensus agreement on all issues including some level of minority ownership by non-dentists. However, at the ODA House of Delegates meeting in September, the membership rejected the concept of any minority ownership by non-dentists. Dr. Peterson said the ODA recommends the Board support the consensus agreement but wait to see the legislative draft. Dr. McCully asked whether the draft included provisions for a dentist's demise. Dr. Peterson replied that there were, as well as provisions covering OHSU, non-profit organizations and charitable clinics.

### **Oregon Dental Hygienists' Association**

Lynn Ironside, RDH, reported that the ODHA's House of Delegates will meet in Eugene November 8 and 9. Continuing Education will be provided at the conference.

## **COMMITTEE AND LIAISON REPORTS**

### **WREB Examiner and Committee Reports**

- Examiner Reports  
Ms. Lee was Anesthesia Chief for the Dental Hygiene exam at OHSU August 28 – September 1.

### **Standing Committee and Liaison Reports**

- Dental Summit Meeting  
Dr. Martin reported that a Dental Summit Meeting was held on September 25. The meeting was hosted by the OBD. Representatives from the Board, the Oregon Dental Association, and the School of Dentistry were present. Dr. Martin said the school provided a great deal of new information, especially with regard to funding. Extra-mural funding has increased 13% since last year. OHSU School of Dentistry has recruited 11 new faculty members, the clinic's electronic records management system is up and running, and the new simulation clinic was installed over the summer and is in use by the new dental classes. The simulation clinic has been a key tool in recruiting both faculty and students, will allow enrollment for five additional students, and is expected to ease the transition from pre-clinical to clinical practice for students. The simulation clinic was completely funded with donated dollars. Dr. Martin said that OHSU discussed their future goals. These included residencies in pediatric dentistry and prosthodontics, as well as an advanced residency program in general dentistry. Also, they addressed the work being done on the North Macadam Campus, and expressed their desire for OHSU to become a regional school. Also at the Summit Meeting, the ODA provided an update on the Ownership Work Group, and stated that they would not support any percentage of non-dentist ownership of practices. Finally, attendees of the summit meeting discussed ways to prevent complaints, especially those regarding system problems. Suggestions included initiating round table discussions or study clubs to address record-keeping issues, looking for signs of potential problems in long-term patients, and holding brainstorming sessions. Dr. Smith of the ODA supported the Board's proposal and suggested that the Board put on a Continuing Education Workshop at the ODA conference and send speakers to component dental societies. The next Dental Summit meeting will be held on January 17, 2003 at the ODA.
- Ownership Work Group  
Dr. Short reported that he attended the Ownership Work Group meeting Wednesday, October 9, 2002. He referenced two copies of a draft bill of proposed amendments to the Dental Practice Act—one clean and one redline—

that the work group worked on that evening. Dr. Short said that in light of the ODA House of Delegates vote on non-dentist ownership, more work will need to be done. Dr. Short said another draft will be forthcoming.

## **EXECUTIVE DIRECTOR'S REPORT**

### **Budget Status**

A budget status report showing expenditures and revenue through July 2002 was provided for Board review.

### **Board and Staff Speaking Engagements**

Paul Kleinstub, DDS and Harvey Wayson spoke at the DBIC Risk Management seminar in Pendleton, Oregon on September 6. Approximately 80 dentists and 160 auxiliary and office staff were present. A thank you note from DBIC Vice President Chris Verbiest was provided for Board Review.

### **New Office Staff**

Ms. Bones introduced Tonaya Craft, who will fill the position of Office Specialist. The Board welcomed Ms. Craft to the staff.

### **DANB Website**

The Dental Assisting National Board's revised website is up and running at [www.danb.org](http://www.danb.org). Dental Assistants can now download application forms for the various examinations and get directions to test centers. A listing of Dental Assistants holding DANB certification is not yet available.

### **Service Recognition**

Dr. Martin presented a plaque to Teresa Haynes, Licensing and Examination Manager, in recognition of her 15 years of service with the Board.

## **CORRESPONDENCE**

**The Board received a letter from Dr. Frederick Judy** requesting that the Board formally recognize the use of Complementary Medicine as within the scope of the Dental Practice Act. After some discussion, the Board concluded that listing such modalities of treatment is not necessary, as the Dental Practice Act does not preclude it, and, further, that such listing has the potential to conflate justified and non-justified treatments. The Executive Director and the Assistant Attorney General will prepare a response to Dr. Judy's letter.

**Dr. Martin said that the Board had received a handwritten letter this date from the Oregon Dental Association**, asking two significant questions with regard to Continuing Education requirements. The first is whether courses regarding HIPAA, Blood Borne Pathogens, and CDT coding are applicable toward Continuing Education requirements. The second pertains to Division 21, section 818-021-0060, Continuing Education for Dentists, and section 818-021-0070, Continuing Education for Dental Hygienists. Subsection (1) says that all hours of required Continuing Education must be directly related to clinical patient care or the practice of dental public health, while subsection (4) limits the number of hours of Practice Management and Patient Relations that may be counted toward the C.E. requirements. The question is whether these statements are in opposition to one another—how can "Practice Management and Patient Relations" be classified as direct patient care?

The Board first approached the question pertaining to HIPAA, Blood Borne Pathogens, and CDT coding. Dr. McCully said that none of these classes are applicable toward Continuing Education because, although valuable, they are not directly related to patient care. He stressed that the Continuing Education requirements are a minimum, and should not preclude Licensees from taking additional classes. Dr. Kelley said that HIPAA and CDT classes could be considered Practice Management and Patient Relations, but that the OSHA Blood Borne Pathogens courses could be considered clinical care. Dr. Martin noted that the Board's C.E. requirements are a minimum, and that it was the Board's intention that C.E. should relate to clinical skills and should help Licensees to be better practitioners. After some discussion, the Board agreed that OSHA Blood Borne Pathogens classes fulfill the requirement of direct patient care listed in Division 21, sections 818-021-0060 and 0070, while HIPAA and CDT coding classes could be counted under Practice Management.

The Board then addressed the question of whether sections 818-021-0060 and 818-021-0070 contain discrepancies in language, where subsection (1) requires courses directly related to clinical patient care, but subsection (4) allows a limited number of hours of Practice Management and Patient Relations classes that may be applied toward Continuing Education requirements. Beryl Fletcher, ODA Director of Professional Affairs, said that it is not clear whether the Practice Management hours are an exception to the rule that all C.E. be related to direct patient care or whether they are additional hours. Ms. Fletcher said the ODA receives many calls with this question, and she feels the need for education such as could be provided in newsletter articles. Dr. McCully said he had been on the Rules Committee, and that the intention of the rule was not to require four hours in addition to the 40 hours of Continuing Education. The Board agreed that the Practice Management and Patient Relations classes are part of the required hours, but are a carve-out to the requirement that Continuing Education must be directly related to clinical patient care. Dr. McCully asked Ms. Bones to be sure to include this information in the next newsletter.

## **LICENSURE AND EXAMINATION**

### **Ratification of Licenses Issued**

Dr. Kelley moved and Dr. McCully seconded that licenses issued be ratified as published. The motion passed with Dr. Short, Dr. Grant, Dr. Johnson, Ms. Lee, Mr. Swart, Dr. Kelley, Dr. McCully, and Ms. Young voting aye.

D8177	Darren B. Ravassipour, D.D.S.	September 24, 2002

### License and Examination Issues

- Request to reinstate retired license.

OAR 818-021-0090 requires that before a license that has been retired may be reinstated, the applicant must complete a number of steps. One of the requirements for reinstatement is that the applicant "passes any other qualifying examination as may be determined necessary by the Board after assessing the applicant's professional background and credentials."

Dr. Eileen M. Lorber retired her dental license on August 21, 1998. Dr. Lorber has not practiced dentistry in any other jurisdiction, and she would now like to reinstate her dental license. Pursuant to OAR 818-021-0090 the Board was asked to determine if it is necessary for Dr. Lorber to take any further examinations. Dr. McCully moved and Dr. Kelley seconded that the Doctor's license be reinstated with no requirement for further examination. The motion passed with Dr. Short, Dr. Grant, Dr. Johnson, Ms. Lee, Mr. Swart, Dr. McCully, Dr. Kelley, and Ms. Young voting aye.

- Request to reinstate expired license.

Dr. Robert A. Pratt's license expired on March 31, 2001. Dr. Pratt has been practicing dentistry in Idaho and he would like to reinstate his Oregon license. Pursuant to OAR 818-021-0085 the Board was asked to determine if it is

necessary for Dr. Pratt to take any further examinations. Dr. McCully moved and Dr. Grant seconded that the Doctor's license be reinstated with no requirement for further examination. The motion passed with Dr. Kelley, Dr. Short, Dr. Johnson, Ms. Lee, Mr. Swart, Dr. McCully, Dr. Grant, and Ms. Young voting aye.

- Revision of Certification Statement on renewal applications

Ms. Bones said she feels that when licensees sign the Certification Statement at the bottom of the renewal form, they may be doing so without reading the portion of the statement that certifies all Continuing Education requirements have been met. Ms. Bones proposed that the Continuing Education clause be removed from the Certification Statement and placed above in the form of a question, with a reference to the instruction sheet for cases where Continuing Education requirements have not been met. The Board agreed this would clarify the process and instructed staff to implement the change.

## **OTHER BUSINESS**

### **Articles and News of Interest (No Action Necessary)**

- State Legislative Report, September 2002
- Intouch, "News From The Council on Dental Practice," August 2002
- Arizona State Board of Dental Examiners, "Newsletter," August 2002
- AADE, "The Bulletin," Fall 2002

### **Issues and Concerns**

Dr. McCully told Ms. Fletcher the Board is willing to speak at the component societies, and to let them know so that Board Members could be scheduled. Dr. Martin directed staff to develop summaries of discussion topics.

**EXECUTIVE SESSION:** The Board entered into Executive Session pursuant to ORS 192.660(1)(f), (h) and (k); ORS 676.165, ORS 676.175 (1), and ORS 679.320 to review records exempt from public disclosure, to review confidential materials and investigatory information, and to consult with counsel.

*Dr. Johnson and Dr. McCully left the meeting and did not return.*

**OPEN SESSION:** The Board returned to Open Session.

## **ENFORCEMENT**

### **CONSENT AGENDA**

**2003-0050, 2003-0048, 2003-0043, 2003-0022, 2003-0037, 2003-0032, 2002-0279, 2003-0014, 2003-0007, and 2003-0029** Dr. Grant moved and Dr. Kelley seconded that these cases be closed with a finding of no further action, per the recommendations. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

### **COMPLETED CASES**

**2002-0169, 2002-0183, 2002-0187, 2002-0216, 2002-0198, 2002-0210, 2002-0186, 2002-0072, 2002-0176, and 2002-0185** Dr. Short moved and Dr. Kelley seconded that the Board close these matters with a finding of no violation of the Dental Practice Act or No Further Action per the recommendations and send appropriate letters to the Complainants and Respondents. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2001-0139 and 2002-0104** Dr. Kelley moved and Ms. Young seconded that the Board merge these two cases for Board action, Issue a Notice of Proposed Disciplinary Action, and offer the Licensee a Consent Order incorporating a Reprimand and a \$3,000.00 civil penalty. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0196** Ms. Young moved and Mr. Swart seconded that the Board close the matter with a Letter of Concern addressing the issues of ensuring that when obtaining informed consent, PARQ is documented in the patient's record, that a diagnosis is documented in the patient's record prior to initiating treatment, and that the Board's continuing education requirements for licensure are met. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0190** Mr. Swart moved and Dr. Short seconded that the Board issue a Notice of proposed Disciplinary Action and offer the Licensee a Consent Order incorporating a Reprimand. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0293** Ms. Lee moved and Ms. Young seconded that the Board close the matter with a Letter of Concern reminding the licensee that it is his responsibility to assure that renewal of all required certificates, licenses and permits are properly completed to avoid expiration. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0193** Dr. Grant moved and Dr. Kelley seconded that the Board refer case 2002-0193 to the Oregon Denturist Board for review. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0167** Dr. Kelley moved and Ms. Young seconded that the Board close the matter with a Letter of Concern reminding the Licensee that when fabricating full upper and lower dentures, that he take care to provide a comfortable and functional occlusion, that the vertical dimension of occlusion is within the physiologic tolerance of the patient, that the denture base material adapts to the soft tissue, and that the maxillary and mandibular denture have proper extension to achieve stability and retention. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0084** Ms. Young moved and Mr. Swart seconded that the Board Issue a Notice of Proposed Disciplinary Action and offer the Licensee a Consent Order per the standard protocols specifically relating to drug abuse, with the exception that the Licensee will not be required to use pre-numbered triplicate prescription pads, nor will he be required to surrender his Drug Enforcement Administration Registration. Further, the licensee would agree to pay a civil penalty of \$2,500 and to relinquish his Class 1 Anesthesia Permit. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0219** Mr. Swart moved and Ms. Lee seconded that the Board close the matter with a Letter of Concern addressing the issue of ensuring that when informed consent is obtained, PARQ or its equivalent is documented in the patient records. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0106** Ms. Lee moved and Dr. Kelley seconded that the Board close the matter with a Letter of Concern addressing the issue of ensuring that there are no open margins on crowns prior or subsequent to cementation of final prostheses. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0212** Dr. Grant moved and Dr. Kelley seconded that the Board close the matter with a Letter of Concern addressing the issues of ensuring that when obtaining informed consent, PARQ is documented in the patient records, that diagnoses are documented in the records prior to providing treatment, and that confidences involved in the dentist-patient relationship are not willfully betrayed. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0147** Dr. Kelley moved and Mr. Swart seconded that the Board close the matter with a Letter of Concern addressing the issue of ensuring that when radiographs are utilized for examinations, the radiographs are carefully scrutinized for dental pathology and that when restorations are placed, the margins of the restorations are carefully checked before dismissing the patient. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0150** Ms. Young moved and Ms. Lee seconded that the Board close the matter with a Letter of Concern addressing the issue of ensuring that when informed consent is obtained, PARQ or its equivalent is documented in the patient's records. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0121** Mr. Swart moved and Dr. Kelley seconded that the Board close the matter with a Letter of Concern addressing the issues of ensuring that PARQ is documented when

obtaining informed consent, that radiographs are carefully reviewed for pathology when doing comprehensive examinations, and that the requirements for maintenance of a nitrous oxide permit are met. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0223** Ms. Lee moved and Ms. Young seconded that the Board close the matter with a Letter of Concern addressing the issue of ensuring that when reviewing radiographs for the purpose of diagnosing dental pathology, every effort is made to ensure that evidence of pathology visible on the radiographs is documented, and that the patient is then evaluated for the need for appropriate treatment. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

### **PREVIOUS CASES REQUIRING BOARD ACTION**

**2000-0182** Dr. Grant moved and Dr. Kelley seconded that the Board issue a Final Order for Reconsideration, incorporating a reprimand and a \$9,000 civil penalty. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2001-0037, 2001-0089** Dr. Kelley moved and Mr. Swart seconded that the Board grant the Licensee an extension of 60 days to complete the community service required by his Consent Order. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2001-0120** Mr. Swart moved and Ms. Young seconded that the Board offer the Licensee a Consent Order incorporating a:

- Reprimand
- 12 month license suspension, with 11 months stayed
- Ten year probation
- \$15,000 civil penalty
- \$368.40 restitution payment to patient CB
- \$100 restitution payment to patient SV
- \$200 restitution payment to patient TR
- \$1,199 reimbursement payment to NOVA Healthcare Administrators, Inc.
- \$536 reimbursement payment to CIGNA Dental Care
- \$807 reimbursement payment to CIGNA Dental Care
- 120 hours of Board approved community service in each of three years
- Requirement that Licensee only practice dentistry as an employee with no ownership interest or management involvement for ten years
- Appear before the Board at a frequency determined by the Board, but initially two times per year

per the standard or adjusted protocols. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**1990-0114, 1990-0124, 1990-095, 1990-0225, 1991-0037, 1991-0173, 1993-0174, 1995-0151, and 2002-0024** Dr. Kelley moved and Mr. Swart seconded that the Board suspend the Class 3 Anesthesia Permit of this Licensee unless, within 14 business days from receipt of this notice, Licensee provides the Board with a valid American Heart Association Healthcare Provider BLS/CPR card or its equivalent and documents the

appropriate hours of continuing education as directed by the anesthesia rules for a Class 3 anesthesia permit. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0179** Ms. Young moved and Dr. Kelley seconded that the Board issue a Default Order denying the application. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**1997-0091** Ms. Lee moved and Ms. Young seconded that the Board grant the Licensee's request to lift the suspension of her dental hygiene license and to reinstate that license to work as a dental hygienist, providing she agree to the terms of a Consent Order incorporating probation, the Board's standard protocols addressing drug and alcohol abuse, and requiring the additional provision that Licensee assure that the Board always have the most current information regarding her addresses, phone numbers, and employments. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0189** Dr. Grant moved and Dr. Kelley seconded that the Board rescind the vote of June 28, 2002 for issuance of a Notice of Proposed Disciplinary Action and close the matter with a Letter of Concern addressing the issues of ensuring that when diagnosing and treatment planning of complex prosthodontics treatment, a comprehensive oral examination and periodontal evaluation should be done, study models should be taken, and a current full mouth set of radiographs or a panoramic radiograph should be available. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2000-0204** Dr. Kelley moved and Ms. Young seconded that the Board accept the Consent Order proposed by the licensee and close the matter. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

## **LICENSING ISSUES**

**2003-0006** Ms. Young moved and Dr. Kelley seconded that the Board grant the Applicant a license to practice dental hygiene. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

**2002-0274** Mr. Swart moved and Dr. Kelley seconded that the Board issue the Applicant a dental hygiene license. The motion passed with Dr. Grant, Dr. Kelley, Ms. Lee, Dr. Short, Mr. Swart and Ms. Young voting aye.

## **SPECIALTY EXAMINATIONS**

Ms. Lee moved and Mr. Swart seconded that the Board accept the proposed protocols and procedures for the Specialty Examinations and that Dr. Kelley will be the Chief Examiner for the Prosthodontic Examination. The motion passed with Ms. Lee, Mr. Swart, Dr. Short, Dr. Grant, Dr. Kelley, and Ms. Young voting aye.

## **MINUTES**

Dr. Martin moved and Dr. Kelley seconded that the Minutes of the August 23, 2002 meeting be approved as published. The motion passed with Dr. Kelley, Dr. Short, Dr. Grant, Ms. Lee, Mr. Swart, and Ms. Young voting aye.

## **ADJOURNMENT**

The meeting was adjourned at 3:00 p.m.

Approved by the Board December 6, 2002

---

Ronald C. Short, DMD  
Vice President
