Need for the Temporary Rule(s):

The proposed amendments to OAR 471-030-0080 make the following changes:

- Revises "Professional Technical Training" to "Career and Technical Training" as a result of changes in HB 2109, which passed in the 2009 Legislative Session.
- Defines when the Director may waive the requirement that an individual be a full time student to be approved for training. This change removes the reference to ORS 657.337, which was repealed by HB 2203 in the 2009 Legislative Session.
- Clarify eligibility requirements for unemployment benefits to individuals who are in approved training. Individuals who do not attend their approved training during the week are required to meet regular unemployment insurance eligibility requirements for those weeks.
