What is DCEC?

DCEC is made up of volunteer employer representatives who serve as advisors to WorkSource Oregon Employment Department. There are 21 active employer councils throughout Oregon; operating independently to identify and assist with the needs of employers in their communities. There are no membership dues.

Locally we assist our employers by providing high quality low cost seminars; networking; at least \$2400 in scholarships (this year \$4000) at UCC; and \$1500 per year in support dollars to local Veterans. DCEC produces the Employer Expo/Job Fair every spring, which includes time for high school students, our workforce of the future.

Employers in good standing (attending at least 4 monthly meetings per year) receive discounts on DCEC seminars, participate in our scholarship program, and have access to various resources, training videos and publications.

Partnering with the Roseburg Area Chamber of Commerce, DCEC is a community leader in improving the quality of employment and the workforce within Douglas County.

We hope that you will take this opportunity to join us in making a difference for all the employers in Douglas County.
