ACTIONS TAKEN, MAJOR PROJECT UPDATES, AND OTHER MILESTONES

- Region 2 (Tualatin) has been able to hire several student interns from IRCO through ARRA youth funds.
- Region 10 (Central Oregon) is contacting contractors who have been awarded National Forest ARRA contracts for several ARRA projects in Deschutes National Forest: Hand piling project (71 acres), grapple piling (566 acres), and hazardous fuels site designation (71 plots)
- Region 15 (Clackamas County) is working with Clackamas Community College to fill ARRA funded material handling training classes.

UPCOMING PLANNED ACTIONS, MAJOR PROJECTS, DEADLINES, AND GRANT OPPORTUNITIES

- Competitive federal grant through ARRA to obtain funding to upgrade Business & Employment Services field office broadband capabilities. The notice of funds availability was just announced on July 1, with grant application due August 14. Letter to Legislative leadership to be delivered July 31.
- Region 10 and their Local Workforce Investment Board will be working with our Research section to apply for an ARRA green jobs grant specific to labor market information. The program would collect additional skills data through the Career Readiness Certification program which will enhance our understanding of the foundational skills and tasks required for green jobs. Grant application deadline is August 14. Letter to Legislative leadership to be delivered July 31.
- The Oregon Workforce Investment Board (OWIB) is planning to pursue a State Energy Sector Partnership grant (one of the green jobs grants from DOL). Discussions are underway to integrate current activities into the proposal, and to make the grant seamless with the Green Jobs Strategy the Legislature recently required from OWIB. The grant application is due October 20.
