

**Oregon Department of Energy - Business Energy Tax Credit
Renewable Tier One Phase 2 February 18 - April 1, 2011**

updated March 9, 2011

This list is displayed in alphabetical order by project owner name of renewable applications received on February 22, 2011 for BETC Tier One, Phase 2. Information was provided by the applicant and may change once a complete technical review of the application has been performed.

On February 18, 2011 ODOE posted the Tier One Phase 2 applications. On February 22, 2011 ODOE received 143 applications at the P.O. Box. ODOE assigned each application envelope a number and used a random number generator to determine the order for opening applications. Applications were opened until reaching \$5 million in tax credits requested. In the process, 12 applications were incomplete, withdrawn or disqualified. 85 applications (listed below) moved into technical review. The remaining 46, that ODOE was unable to accept, were returned to the applicants. On February 23, 2011 ODOE received 7 applications in the P.O. Box all of which were returned to the applicants, bring the total number of returned applications to 53.

Technical Review (see list below) = 85 applications

Incomplete, Withdrawn and Disqualified = 12 applications

Returned because exceeded \$5 million in tax credit requests = 53 applications

Technical Review Applications: Business Name	Application Type	Site Location (City)
2393 Park Place	Solar Thermal	Portland
Ardea Development, LLC.	Photovoltaic	Portland
B & N Enterprises, LLC.	Photovoltaic	Medford
BC Hop Farms, Ltd.	Photovoltaic	Woodburn
Beaverton Mobilodge Ltd. Partnership	Photovoltaic	Beaverton
Bend Area Habitat for Humanity	Homebuilder	Bend
Charles Petersen	Photovoltaic	Portland
Clackamas County Sunnybrook Building	Photovoltaic	Clackamas
Crook County, Oregon	Photovoltaic	Prineville
David Elam	Photovoltaic	Salem
DreamSacks, Inc.	Photovoltaic	Ashland
Evans Farms, LLC.	Photovoltaic	Oregon City
Fast Lane Oil Change	Photovoltaic	Tigard
