

Draft Meeting Plan  
Forestry Sub-committee of  
The Natural Resource Committee of  
The Global Warming Commission

July 7, 2008  
1 – 5pm  
Tillamook Room  
ODF Headquarters, Salem

### **Overall Purpose**

Hear from a diversity of sources as to the various ways in which forestry interests are addressing global warming and solicit thoughts on additional needed work that would form the basis for recommendations to the Commission.

### **Agenda**

#### **“The Big Picture: Relationship between Forests and Climate Change”**

Hal Salwasser-Dean of College of Forestry, Oregon State University

#### **“Perspectives of the WCI Forest Carbon Group”**

Linc Cannon-Oregon Forest Industries Council  
John Audley The Nature Conservancy

#### **“Issues Related to Wildland Fire”**

Elaine Oneal-University of Washington...RTI program

#### **“The Role of Urban/Community Forests and Green Space”**

Scott Fogarty-Friends of Trees, Portland

#### **“Perspectives from the Biomass Working Group”**

Joe Misek-Oregon Department of Forestry

#### **“Issues Related to Forest Ecosystem Adaptability”**

Andrew Yost-Oregon Department of Forestry

### **Process**

We'll encourage all presenters and attendees to engage in asking/answering the questions: **“What is occurring now? Where are the gaps? What are priority recommendations for the Commission?”** We'll prepare a meeting summary and forward draft recommendations to the Natural Resources Committee.
