

Addendum to RFQ 09-16

Page 6, last paragraph:

This RFQ will remain open until October 2, 2009, for further submittals (as described more particularly below). However, to establish the initial list of qualified ESCOs, proposals must be submitted no later than 5:00 pm PST, March 27, 2009. ODOE reserves the right to cancel this solicitation for good cause and to commence a new solicitation at any time upon a finding by ODOE that it is in the public interest to do so.

Page 7, Paragraph 2.03A

An **unsuccessful Proposer** may submit a new SOQ for the solicitation ending October 2, 2009, as outlined in Paragraph 2.03 B.. ESCOs not participating in the initial submittal period may submit SOQs according to the schedule under Paragraph 2.03 B below.

Page 7, Paragraph 2.03B:

Interested firms and individuals will have two additional opportunities to qualify for the work described in this RFQ. This RFQ will remain open until October 2, 2009. The Department of Energy plans to evaluate Statements of Qualifications and update the list of qualified ESCOs according to the following schedule:
