Small Hydropower Development in the United States

Docket No. AD09-9-000

SUPPLEMENTAL NOTICE OF TECHNICAL CONFERENCE

(November 3, 2009)

As announced in the “Notice of Technical Conference” issued on August 14, 2009, a technical conference will be held on December 2, 2009, from 1:00 p.m. to 5:00 p.m. (EST) in the Commission Meeting Room at the Federal Energy Regulatory Commission, 888 First Street, NE, Washington, DC 20426. The conference will be open for the public to attend and advance registration is not required. Members of the Commission will attend and participate in the conference.

The purpose of this conference is to explore issues related to licensing small non-federal hydropower projects in the United States. Specifically, the participants will discuss the Commission’s program for granting licenses and exemptions from licensing, including 5-megawatt and conduit exemptions, for conventional hydropower projects. The conference will also provide an opportunity for industry, state and federal agencies, tribes, and other stakeholders to express their views and suggestions for processing applications for small hydropower projects. The agenda for this conference is attached.

A free webcast of this event is available through www.ferc.gov. Anyone with internet access who desires to listen to this event can do so by navigating to the Calendar of Events at www.ferc.gov and locating this event in the Calendar. The event will contain a link to its webcast. The Capitol Connection provides technical support for webcasts and offers the option of listening to the conference via phone-bridge for a fee.
