CERTIFICATION OF RESULTS OF DEAUTHORIZATION ELECTION

A deauthorization election was conducted in this matter by the Elections Coordinator of the Employment Relations Board for employees of the following bargaining unit:

All classified employees of the Construction Contractors Board excluding supervisory, confidential and managerial employees as defined by ORS 243.650, employees working less than half-time, and temporary employees within the meaning of ORS 240.309.

The ballots have been tallied, and any challenges and/or objections to the election which were timely filed have been resolved. A **majority** of the valid ballots WERE NOT cast in favor of the union security agreement in the contract between the STATE OF OREGON, CONSTRUCTION CONTRACTORS BOARD and OREGON AFSCME COUNCIL 75, LOCAL 3581.

Therefore, IT IS HEREBY CERTIFIED THAT the union security agreement (fair share) WAS NOT deauthorized.
