The Board Order issued in this case on May 27, 2005, is amended *nunc pro tunc* as follows:

1. On page 4, paragraph number 2, the last sentence reads: "We dismiss Petitioner's subsection (4) petition for failure to comply with OAR 115-25-115(4)." The rule number "OAR 115-25-115(4)" should have been "OAR 115-25-005(4)."

The sentence is therefore amended to read: "We dismiss Petitioner's subsection (4) petition for failure to comply with OAR 115-25-005(4)."

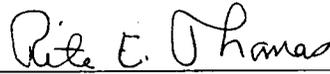

In all other particulars, the Board Order remains unchanged.

DATED this 3rd day of June 2005.
